CHRISTI

Going to Target:
playful, jersey knit skirt in
chevron pattern and solid tee,
which originally came from the
Target clearance section. They
like to visit their homeland.

The Winter Dog Walking Outfit:
pair of jeans and a coat on top of
every pair of long Johns Christi
owns, plus tank top, undershirt,
sweater, and extra jacket. A scarf
and at least one pair of mittens
complete this look.

Lounging Around The House:
fleece pajamas with surgical
grippy socks because fleece is
the fabric of the gods and safety
is important.
